

Withington Parish Magazine

The image features two tall, slender champagne flutes filled with a golden, bubbly liquid topped with a thick layer of white foam. The glasses are positioned side-by-side on a dark, reflective surface. Swirling around the glasses are thin, metallic-looking golden ribbons that create a sense of movement and celebration. The background is dark and filled with numerous out-of-focus, glowing golden circles of varying sizes, resembling bokeh or falling confetti. The overall lighting is warm and festive, highlighting the textures of the liquid, foam, and ribbons.

Editorial

Dear All,

As we approach 2023 I would like to thank everyone who has been involved in the production of the magazine over this last year. From providing editorial, administration of accounts and distribution, your support is greatly appreciated.

A warm welcome is extended to our new advertisers - 'Walkies and Wags' can be found on page 15 and funding opportunities for energy-saving home improvements through Keep Herefordshire Warm on page 14.

Please remember to send your recommendations for services, places to visit, favourite recipes etc., along with birthday and anniversary greetings so that they can be included in future publications.

Sending best wishes for a healthy and prosperous new year.

Margaret

WITHINGTON CHRISTMAS CELEBRATION

It was wonderful to see such a great turn out for our village Christmas celebration on December 10th – Father Christmas gave out 80 presents and over 200 delicious hot meals were served. The Village Hall was utterly transformed by a group of very hardworking elves, particularly the Hewison Lounge which became a magical Grotto.

SO MANY THANK YOUS are needed so I'll try not to miss anyone out:

- Fay Elizabeth Berry, Karl Biggs and all the elves for the INCREDIBLE grotto – a really special treat for all the village children.
- Ilaitia and Georgina Ravuawai from Kanamada MC for the delicious, festive food, as well as adding some sparkle to the village hall.
- Hazel Davies and Nicki Powders for all the amazing organising for the raffle, guess the name of the penguin, pin the nose on Rudolf and more!
- June Wynter, Kevin Hewison and & John Bennetts for running "Bar Humbug"!
- Margaret Soutar and the Elizabeth Byworth Charity for their support of the Santa's grotto gifts.
- Ingrid and Richard Heatly for the fab colour-in castle and all their help on & before the day.
- Christine Cattanach, Jean Parkes and the Guides for running all the fun crafts and activities upstairs.
- The Village Hall committee for their support of the event.
- Everyone who lent a hand on the day with setting and clearing up.
- And, last but not least, thank you to Santa for making time in his busy schedule to come along and visit us in Withington 🧑🏻‍🔧🧑🏻‍🔧

See you next year?!

Withington Book Club

Recently, we've discussed 'The Red Notebook' by Antoine Laurain. Set in Paris, a short but fascinating book which is a love story mixed with a lot of detective work based around a lost handbag and it's contents. Basically, the hero finds the heroine's handbag and tracks her down by cannily using its contents as clues.... It all ends happily ever after. Super read, light hearted and fun.

Our book for November was 'Sorrow and Bliss' by Meg Mason. This has recently been a Radio four book at bedtime. Supposedly dealing with mental illness, it provoked some strong reactions amongst us. A bit like Marmite, people either loved it or hated it. The central characters were diverse and largely dysfunctional, bohemian and eccentric. We certainly had what can best be described as a wide ranging airing of views about it.

We start 2023 with an Irish book, 'When All is Said' by Anne Griffin and, in February, 'The Glassblowers' by Daphne du Maurier.

Happy, Healthy New Year to you all from everyone in the book club.

Tree Warden Report

1. What is the tallest tree in the world?

- A. English oak (*Quercus robur*)
- B. Sugar pine (*Pinus lambertiana*)
- C. Douglas fir (*Pseudotsuga menziesii*)
- D. Coastal redwood (*Sequoia sempervirens*)

2. Which plant family does the pear tree (*Pyrus communis*) belong to?

- A. Olive (Oleaceae)
- B. Rose (Rosaceae)
- C. Lily (Liliaceae)
- D. Poppy (Papaveraceae)

3. What does the Latin word 'arboretum' mean?

- A. Woodland glade
- B. Ancient field
- C. Group of trees near water
- D. Place with trees

4. Which of the following trees does NOT produce nuts?

- A. Hazel
- B. Hickory
- C. Juniper
- D. Almond

5.. What is the native continent of the arabica coffee tree (*Coffea arabica*), which produces 65% of global coffee?

- A. North America
- B. Asia
- C. Africa
- D. South America

6. What is a bonsai tree?

- A. A tree growing at the centre of a traditional Japanese garden
- B. A large Japanese cherry tree
- C. A miniature tree in a container
- D. A tree pruned into a spherical shape

7. What is the age of the oldest recorded maidenhair tree (*Ginkgo biloba*)?

- A. 400 years old
- B. 900 years old
- C. 2,000 years old
- D. 3,500 years old

Christmas at St Peter's Church Withington

Do come along to the Crib Service on Christmas Eve, 4pm

A wonderful family service especially catering for children. Come and join us as we hear the story of how Jesus came to be born in a stable as we sing carols, hear readings, build the crib together and pause for a moment on Christmas Eve.

11.30 pm on Christmas Eve is a celebration of Christmas Holy Communion Midnight Mass.
All Welcome to greet the Happy Morn with us. This service will be taken by Bishop Richard.

Church Services in Withington and Westhide January and February

(Please check Church noticeboards nearer the service date in case of alterations.)

And St Peter's Church, Withington

A wonderful Sax Concert in November!

The Worcestershire Saxophone Quartet played a superb selection of pieces which truly showed off the range of music saxes can portray. - from classical to Latin and jazz. We were treated to a feast, and the acoustics in the church are wonderful, really doing the players credit.

We all enjoyed a glass of wine/ soft drink and a great array of tasty snacks in the interval. Approximately £300 was taken in donations for the event. Thanks to all who supported us.

BIG BREAKFAST in Withington Village Hall

Saturday January 7th

Saturday February 11th

Thanks to all who have helped and supported these Big Breakfasts already this Autumn/ Winter. Every occasion has been really well received and successful.

October..... Midlands Air Ambulance £194

November.....Little Princess Trust £150

December.....National Star £180

And an equal amount to St Peter's Church Withington towards upkeep and maintenance. If you haven't tried our big breakfasts yet, why not come along next time.

✿ Everyone is welcome ✿

Update from Withington Group Parish Council –

Withington Group Parish Council represents Withington, Westhide and Preston Wynne and meets every two months, usually at Withington village hall, but the venue is always promoted along with the agenda on the parish notice boards and on the web site at least 3 working days prior to a meeting. All meetings are open to the public who are welcome to attend. Councillors are volunteers who are elected every three years.

Your **Withington** Councillors are:-

Kevin Hewison (Chair), Alison Bainbridge, Barclay Rogers, Tom Nellist, Bob Wood, Jonathan Beech, Howard Mansell, Bob Rudd, John Bennetts (footpaths officer) and Ingrid Heatly (who is also the tree warden).

Your **Westhide** Councillors are :-

Judith Howe (Vice Chair), Julie Williams (footpaths officer) and Anna Green.

Your **Preston Wynne** Councillors are:-

Simon Dent, Sue Rudd and Paul Hudd – Bob Rudd is the Parish footpaths officer.

You can contact them via the parish clerk on : clerk@withingtongroupparishcouncil.gov.uk

If you spot a problem on any of the parish footpaths or on Withington Field, do please report it through the clerk and we can try and get the matter resolved.

At the Parish Council meeting in November the proposed planning application for the Solar Farm in Westhide was once again discussed. A number of residents from Westhide were able to attend the meeting which was useful for the Parish Council to fully understand the concerns of those who will be most affected by this application. It was decided that there was still a lot of questions that needed to be answered by TEKSS before the PC could respond to the most recent amended application.

For a third time the lights in the pavilion on the Withington Playing Field have been vandalised. WGPC put the lights and the sensor in the pavilion at the request of young people and their parents who wanted there to be some where safe and dry for them to meet when the winter evenings made everywhere so dark. It is therefore with some disappointment that we find that we are having to bring out electricians to fix the damage done to the sensor or the cables or the lights – all of which have been tampered with in the last months. These are all connected to mains electricity so trying to pull them apart is extremely dangerous to those involved as well as others once the electrical elements are exposed. The Parish Council wants to explain that should this happen again, rather than fixing the lights, we will have to look at removing them altogether. Please can you make your young people aware that they are there for their benefit, but they don't have to be!

Sophie Glover

Withington Group Parish Council Clerk December 2022

Have you heard of the scheme "Ask for Angela"

All the pubs in Herefordshire have been made aware of this scheme and will be there to assist anyone who feels uncomfortable and needs some help to get out of a situation in a discreet way.

The staff can:

- Offer to take the person asking for help to a part of the venue not in sight of the public or potential threat so that they can talk.
- Offer to call the person a taxi or assist them in calling a friend/family member to come and collect them.
- Where safe to do so, request the person causing the distress to leave the venue.

Message Sent By
Sarah-Jane Morgan
(West Mercia OPCC, Senior Communications
and Engagement Officer, West Mercia)

Neighbourhood Matters

The West Mercia Police and Crime Commissioner is leading the way with an investment in digital forensics which helps investigations move faster and ensures victims have their devices returned quicker.

The significant investment was made to meet the demand placed on police, by growing technology with devices holding more data than ever before. The benefits include:

- Improved safeguarding – providing a more dynamic, on scene digital forensics service will enable West Mercia Police to better safeguard both vulnerable children and adults with a fast turnaround time.
- Improved services for victims, complainants and our communities – victim and complainants' data and devices are managed with minimum impact, collecting only what is needed, allowing them to have their devices returned and supporting them in their recovery.
- Quicker turnaround times for charging offenders – This ensures communities are protected quicker and offenders are brought to justice in a timely manner. It supports victims in being able to cope and recover and improves the quality of investigations and the evidence presented.
- Police and Crime Commissioner John Campion said "This is an example of how my investments can make a real impact on victims and communities. Whilst a HMICFRS report released today shows that there are many improvements to be made at national level, I am pleased that victims in West Mercia will have the many benefits this technology brings. The commitment I make, is part of a wider investment in technology across West Mercia which has a positive impact on our communities."

SCAMnesty

Due to the success of the campaign in 2020 and 2021, the Friends Against Scams Team are again running a **SCAMnesty** (a scam mail amnesty) campaign aiming to encourage everyone in the UK to send in any unwanted scam and nuisance mail that they receive into the **National Trading Standards (NTS) Scams Team** completely free of charge.

If you, or someone you know is in receipt of scam or nuisance mail, the NTS Scams Team's Investigators want to see it! They already use the mail that they receive from Scam Marshals to great effect through their disruption techniques but the team would like to see more and put a stop to these mailings landing on consumers' door steps.

Postal scams are letters sent with the goal of obtaining your money using deception or fraud. There are many different types of scam mail:

- fake lotteries or prize draws
- fake psychics
- bogus health cures
- investment scams

Whilst the current campaign is running through this December, you can forward any Scam Mail received now, or at any time to the following FREEPOST address at no cost:

NTSST, FREEPOST, MAIL MARSHALS

Think 'WIDEN' to reduce your chances of being burgled this Winter.

Taking simple measures, such as locking your windows, leaving indoor lights on a timer, double or deadlocking your doors, and having exterior lights on sensors, can significantly reduce your chances of being burgled. A combination of WIDEN actions is the most effective and recommended by police throughout the country. Additionally, at Neighbourhood Watch we believe neighbours keeping an eye out for each other is also key to preventing burglary.

• **WINDOWS:** Lock your windows • **INTERIOR:** Put your interior lights on a timer • **DOORS:** Double or dead-lock your doors • **EXTERIOR:** Put your exterior lights on a sensor • **NEIGHBOURS:** Keep an eye out for neighbours

Do you know an older person who may need support ?

As winter approaches spiralling prices combined with plummeting temperatures present substantial risk to the health and wellbeing of many of the most vulnerable older people.

Colder temperatures, plus insufficient food and heating, as well as reduced contact with friends and family, mean this winter could be really bleak for many of our most vulnerable older neighbours. Checking in on them is more important than ever. It's easy to start a conversation - from a 'hello, how are you?' when passing by, to popping by for a cup of tea and a chat. A functioning neighbourhood community can give a much-needed lift to an isolated older person struggling to get by. This may also lead to the opportunity to direct them to local voluntary organisations or council services which could provide them with much needed support.

As part of its cost-of-living campaign, 'It Doesn't Add Up', Age UK is urging any older person living on a low income or struggling with their bills to contact Age UK's free Advice Line on 0800 678 1602 without delay to check they're receiving all the financial support available to them. Alternatively, people can visit www.ageuk.org.uk/money or contact their local Age UK for further information and advice.

West Mercia Police

Rogue Traders/Door to Door Sales. Be wary if someone knocks on your door claiming to be a tradesperson and that work needs doing on your property immediately. They may claim they have seen some loose tiles on your roof or your gutters need cleaning, areas you cannot always check yourself

But Door-to-door frauds can take many forms, including:

- Pressure selling · Unfair contracts · Overpriced or substandard home maintenance or improvements
- Phoney consumer surveys · Bogus charity collections.

Such frauds involve promoting goods or services that are either never delivered to you, or are of a very poor quality. Fraudsters may also bill you for work that you didn't agree to. There are specific laws about door-to-door sales. Many are required to give you a 'cooling-off' period (where you can change your mind or request your money back). Bogus tradesmen will offer none of these, and even if they do, you can be sure their 'guarantee' will not be honoured.

Protect yourself against bogus tradesmen fraud

- Always ask for identification before letting anyone you don't know into your house.
- Check credentials, including a permanent business address and landline telephone number. The mobile phone numbers given on business cards are often pay-as-you-go numbers which are virtually impossible to trace.
- Take control by asking the questions. Ask for references from previous customers or to see examples of their work.
- Don't sign on the spot – shop around. Get at least three written quotes to make sure you're not being ripped off. If in any doubt, ask the person to leave or call Citizens Advice on 0808 223 1133.

If you do decide to buy:

- Always get any agreement you make in writing
- Beware when filling in forms or when speaking to the salesperson, that you don't reveal confidential details that a fraudster could use to assume your identity or take control of your finances. This may allow a fraudster to steal money from your account or order goods and services in your name
- Usually, you have a fourteen-day cooling off period. So if you decide to cancel the contract, act fast
- Think very carefully about having any work done or goods delivered during the cooling off period. You may have to pay, even if you change your mind.
- Never pay for work before completion, and only then if you are happy with it.

West Mercia Police is tackling male violence against women and girls by extending their safer streets initiative into a Christmas and New Year campaign.

As part of the Home Office initiative to target violence and fear of violence against women and girls (VAWG) in public spaces, Herefordshire have implemented a high visibility audio and visual campaign with the aims to raise awareness within our communities of the importance of challenging inappropriate behaviour.

The Herefordshire Safer Streets Project – a collaboration between partners including West Mercia Police, Herefordshire Council, Purple Leaf, Herefordshire Women's Equality Group, Vennture and West Mercia Women's Aid – has developed a Christmas and New Year campaign with the key aims to appeal to bystanders to report unacceptable behaviour; to raise awareness for women and girls to report and signpost to support services; and encourage bystanders to recognise violence against women and girls and to give them confidence to safely intervene.

The Safer Streets project has overseen a number of activities across the region since 2021 and supports communities within Herefordshire through education, workshops, CCTV installation, street lighting and landscaping vegetation in public spaces.

Superintendent Edd Williams says: "The Safer Streets project is a brilliant investment, aiming to support the end to male violence against women and girls in Herefordshire. This phase has begun with a Christmas and New Year campaign using both audio and visual media.

Along with our partners, the project has also enabled us to deliver an education programme to students, cadets and members of the night-time economy staff, plus work with street pastors, an increase in CCTV capacity, the landscaping of a number of areas, and more." It's time to end male violence against women and girls.

Keep Herefordshire Warm

Feeling overwhelmed by the energy crisis? Support is available

Funded by Herefordshire Council, Keep Herefordshire Warm is here to help.

For residents across the county, this winter will be a time of considerable stress and anxiety. With rising energy costs and the cost of living on everyone's mind, it's easy to feel overwhelmed. However, we have support available to help you deal with the crisis.

Keep Herefordshire Warm's advice line is staffed by a team of expert advisors, who can offer advice on a range of energy subjects, and if they can't answer your question there and then, they'll always get back to you. **Call for free on 0800 677 1432, Monday to Friday, 9-5pm.**

If you need some extra support to get back in control of your energy, that's where our Energy Advocates come in. They can help you if your relationship with your supplier has broken down, you're managing a large energy debt, or need to access emergency support.

Keep Herefordshire Warm also administer funding schemes aimed at improving home energy efficiency, saving costs and energy now and in the long term. Subject to eligibility, funding is available for a wide range of measures, including insulation, high heat retention storage heaters, and air source heat pumps.

Call the advice line on 0800 677 1432 or visit keepherefordshirewarm.co.uk to find out more.

Don't forget

The Energy Price Guarantee (which is being reported as a £2,500 limit on energy bills) is actually just another price cap. The unit price is capped (34p per kWh for electricity and 10.3p per kWh for gas), which means if you use more than £2,500 worth of units, you'll pay more.

Here are some top tips to get you started on your energy saving journey:

Changing your behaviour is one of the most important things you can do. Turn appliances and gadgets off at the wall, learn how to use your heating programmer effectively and turn your heating on half an hour later than usual.

Insulate, insulate, insulate. Make sure you're not losing heat to draughts. If you can, top up your loft insulation. Check for draughts and block them up (for a quick and easy fix, you can use waste paper).

If you have a condensing boiler (most modern combi boilers are condensing), set the flow temperature as low as it can be, whilst still heating the space. For most, this is around the 45°C to 47°C mark. Head to keepherefordshirewarm.co.uk/flow to find out more.

Age UK

Age UK provide up to date guidance on the latest energy support schemes as well as their Save Energy, Pay Less information guide and their Help with Heating Costs factsheet. These cover everything from temperature controls to how to access household insulation grants and could be a real lifeline for your older neighbours. Caroline Abrahams, Charity Director at Age UK, said: "With the cost of day to-day essentials soaring, pensioners on low and modest incomes are confronting the fact that basic goods and services are increasingly beyond their means. They are looking ahead to the winter with great fear as a result. Extending a helping hand and offering to chat with our older neighbours can be a real boost in these times of hardship. Never has it been more important to look out for the most vulnerable in our communities and help support those in greatest need".

As part of its cost-of-living campaign, 'It Doesn't Add Up', Age UK is urging any older person living on a low income or struggling with their bills to contact Age UK's free Advice Line on 0800 678 1602 without delay to check they're receiving all the financial support available to them. Alternatively, people can visit www.ageuk.org.uk/money or contact their local Age UK for further information and advice.

Preston Wynne

Hello Everyone,

We wish you all a very happy and peaceful New Year. We hope you had a great time over the holiday period, despite all the inconvenience of postal, rail strikes etc. etc. At the time of writing this it is extremely cold but the clearer skies and a bit of sunshine lifts the spirits for sure after days of dismal grey. By the time you read this we shall have had the shortest day, so that is one milestone in the calendar which is always good to get past! Always look on the bright side, eh?

Church News

January 8 th	Family Service	9.30 am
22 nd	H.C	11.15 am
February 12 th	Family Service	9.30 am
26 th	H.C	11.15 am

BURNS NGHT SUPPER WILL BE HELD IN THE HALL Sat. 28th January 7 for 7.30 pm. Please book early for this very popular event by contacting Tricia on 820650.

The Remembrance Service held on 13th November was well attended, and as usual during this special Service a list of the fallen from the two World Wars known to the parishes of Felton and Preston Wynne was read out. Always a poignant reminder of the sacrifices they made.

The final 100 club draw will take place at the Christmas lunch. Just a reminder that subs are due please for 2023. There are numbers available for anyone not already a member, subs are just £10 p.a. and there is a draw 3 times a year for cash prizes, the 100 club helps church funds so it's a win win really!

Hall News

The Christmas Bazaar held on the 19th November was a very pleasant social occasion, thanks to all who helped in any way.

An open meeting was held on Sunday 4th December to discuss the future of the Hall. This was very well attended, with much positive feedback.

W.I. News

The December meeting will be a Christmas Meal at the Falcon. This proved to be an excellent venue last year so was a popular choice for this year too.

In November Audrey Nunn entertained us with an interesting talk during which she showed us slides of her travels to unusual places.

New members are always welcome, we meet on the second Wednesday of each month at 7.30 pm in the Hall, unless we are out and about. Jam and Jerusalem er.. no, sorry,.. friendship, fun and food, most definitely!!

Finally, congratulations to Frank and Bernadette on becoming Grandparents to a beautiful baby boy.

Love to all,

Hilary and Tricia x

In case this edition arrives on your doorstep before Christmas, it might be worth reminding everyone about Christmas events in the village. On 21st December from 10am everyone is welcome to help decorate the church. No special skillset is required, although a few tall people would be welcome. Trying to hoist an angel to the top of the Christmas tree is always a challenge!

The carol service will be on Thursday 22nd at 6.30pm. After two years of covid restrictions requiring the carol service to be outside, it will be a treat to be in the warm. There will be mince pies and other refreshments afterwards. Anyone who would like to participate in any way, please let one of the church wardens (Sheila or Judy) know. Offers from musicians, readers and singers are always gratefully received.

Carol singing on Christmas Eve will start as usual at Oldbury Farm at 6.30pm, by kind consent of Steve Price. He may not provide such delicious sausage rolls as his grandmother Doris but he may still have stocks of Robert's legendary damson wine. I'm sure we will raise a glass to both Doris and Robert and remember them both very fondly.

The Christmas Day service is at 10.30, with visiting vicar Gill Talbot-Ponsonby. This is usually quite a short service, allowing everyone to get back to their roast dinners.

This year Rory and Felix Green have been helping with the Scout Post. This is a fundraising activity for the scouts whereby any Christmas cards to be delivered within Hereford city limits, can be delivered by the scouts for only 35p per card. Cards should be with the boys, or Anna, by 10th December and will be delivered by 22nd December. The Greens are at Lower Farm.

The village is without a vicar still, but it is hoped that interviews for the post will take place in March. Until then we are grateful for the hard work of Sheila, Judy and Gill who are keeping the services going.

Various planning issues continue to cause interest or concern. The proposal for an anaerobic digester at Whitwick Manor is now being debated, and the proposal for the solar installation in Westhide is still with the council planning department.

Looking forward to March, there is a plan for a film night on March 24th to be held in the church. As the church is our only communal building it is hoped that it could be used more in the coming year as a community hub. The belfry evenings have been well attended and will resume in the spring.

The end of the year is a good time to remember those we have lost and who have moved away from the village, and to welcome those who will be spending their first Christmas here. This winter may be cold and harsh for some, especially with winter fuel worries and crumbling public services, but let's hope that everyone can enjoy a happy Christmas. Let's also hope for a New Year full of unexpected joys.

Clare

Hereford's finest Independent Garden Centre and Nurseries...

THE ALL NEW MULBERRY CAFÉ AT RADWAY BRIDGE GARDEN CENTRE

Radway Bridge Garden Centre & Country Stores is very excited to have taken the café back under its wing.

The Contemporary Mulberry café will offer delicious, fresh homemade cooking where most is made by our in-house chef, 7 days a week.

Freshly prepared breakfasts and lunches, to cakes and scones, everything is made from scratch using the best of fresh local seasonal produce.

- **We will specialize in delicious, rustic homemade food cooked well and with a simplicity that brings out all the natural flavours in fresh seasonal ingredients.**
- **We are going back to our traditional Sunday lunches.**
- **We are having informal talks with tea with Horticultural enthusiasts throughout the year.**
- **Cookery demonstrations.**
- **Breakfasts and teas are returning with Santa later in the year.**
- **The atmosphere is friendly, relaxed and informal, with free Wi-Fi.**
- **There is no need to book and you will be guaranteed a warm friendly welcome.**

We are really looking forward to welcoming you back to our Mulberry Cafe in 2021.
